And forget about winning that pageant crown and the prize money that comes with it--money that would allow her to fulfill her dream of going to art school. Felicity isn t about to let someone blackmail her life away. But just how far is she willing to go to protect her red cred? As thought-provoking as it is enchanting. --Rae Carson, author of the FIRE AND THORNS trilogy Smart, funny, and full of Awesome Ladies Behaving Awesomely, Alison Cherry s RED is everything I look for in a book.
