INTERMEZZO

Mapletree Publishing Co. Paperback. Book Condition: new. BRAND NEW, Intermezzo, Melinda Morgan, Two weeks.that's all Jonathan said he needed? For two weeks Grace and Jonathan would hide me from an enemy that until recently I didn't even know existed? It sounded logical, but when has love ever proved to be logical, The catch, Grace's plan involved 'travelling' -- and 'travelling' meant taking a trip back in time to Marensburg, Pennsylvania, where Jonathan grew up more than 150 years ago? The idea was scary, but kinda cool. Grace's plan was simple? While I hide in the past, Jonathan would stay in present-day Andersen where he'd train a special regiment of Lebas to fight against the legion of intruders who (according to Eric) are on their way to destroy me? 'Why me?' And why a whole legion, When I finally discovered the answers to those questions it put everyone's nerves on edge. But Jonathan believed keeping me safe would help him focus, so I was willing to go. But nothing is ever simple? I knew something was wrong when I discovered my mortal body couldn't travel? When I woke up, I was in the body of Eleanor Hastings, 'Jonathan's first love'. I admit that for the first two weeks I didn't mind being Eleanor? Eleanor was beautiful--the absolute embodiment of perfection. More, she had full use of her left hand! But two weeks became three, then four, and eventually months passed with no word from Grace or Jonathan. 'And where was Eleanor now that I had her body' So, here I am, trapped in 1864 with no way to return to the present? I hope someone, someday, finds this diary? I'm trying not to consider the possibilities of what went wrong, and it's unbearable to accept the only possible explanation that makes...
