Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

(Mr. Grant Stanton PhD)

DOUGLAS: PAYS THE PRICE FOR NOT PAYING ATTENTION

Diggle De Doo Productions, Australia, 2011. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Douglas would lay awake at night thinking about flying. Soaring through the skies, he would pretend to swoop over castles and through valleys, touching the crystal water with the tip of his wing before bursting through clouds and elegantly landing to a roaring cheer from the onlookers. So when Douglas finally received flying lessons for his sixth birthday, he had only one thing on his mind: flying, real dragon flying! However, Douglas soon learns what scaly accidents can occur if you are not being observant and watching for other flyers when crossing a busy flight path.
