Australian Academic Press, Australia, 2006. Paperback. Book Condition: New. General ed.. 297 x 206 mm. Language: English . Brand New Book. The Fingergym Fine Motor Skills School Readiness Program is a unique classroom-trialled, group rotation program that uses fun and motivating fine motor-based activities to help children become more independent in the classroom. Developed by experienced occupational therapy and education professionals, this program is a must-have for any preschool, kindergarten, prep, or primary educational setting. Fingergym incorporates play-based learning to encourage problem-solving by having a go , no matter what the outcome. In this way children learn confidence and resilience in the classroom while mastering essential developmental skills. The program includes over 140 activities covering aspects such as strengthening, kinaesthesia, proprioception, spatial planning, eye-hand coordination, fine motor speed, letter and number formation, and cutting. Published as a book and two-CD collection, Fingergym(TM) is based on a firm theoretical background and comes with full instructions, customizable forms, printable templates and sheets, and a timed musical track to guide children through their activities. Helpful curriculum links to such areas as mathematics, science, language, reading, writing, and art allow integration of the program with teaching requirements. Find out more at the website.
