Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Spelling and Dictation Class-Book, Vol. 1 of 2: With Etymological Exercises The compiler of this Class-book has aimed above all things at judicious omission. He has had in view the collecting together in a classified form of all the more difficult words in common use. Words difficult, but rarely met with by the ordinary reader, are better learned as they occur in the course of reading, and after the pupil has obtained an accurate knowledge of the great mass of words that occur in daily conversation, in newspapers and in current literature. It is presumed that the pupil, into whose hands this book is put, has already been accustomed to spell from his daily lessons for some years, and also to write simple sentences from dictation. He will find here a revisal of the knowledge acquired, and a test and extension of it. The Spelling Rules have been reduced to three. The dictation-exercises in this book have been so constructed as to convey knowledge as well as to teach spelling. About the Publisher Forgotten Books...
