Discover Science: Animal Disguises (Paperback)

By Belinda Weber

Kingfisher, 2017. Paperback. Condition: New. Revised. Language: English . Brand New Book. Dive in to the secret world of animal camouflage. Learn how some animals use disguises to catch their prey while others use camouflage to avoid being eaten. Discover the great lengths to which some prey animals will go to avoid being attacked, even changing their true shape, color, or nature in order to protect themselves. Along the way, readers will learn about how animals adapt to their environment, and come to appreciate the amazing diversity of the animal kingdom. Make science accessible with this essential series that will capture children's imagination while laying the foundation for future learning. With clear, simple language and a compelling design, Discover Science gives young readers the answers to fundamental questions about animal homes, birds, light and sound, materials, and more.
