Venice in Watercolour

By Joe Francis Dowden

Search Press Ltd. Paperback. Book Condition: new. BRAND NEW, Venice in Watercolour, Joe Francis Dowden, Venice is arguably one of the most beautiful cities in the world, and painters have been inspired by its stunning and evocative vistas for hundreds of years. Now you too can create paintings of this wonderful city in watercolour by following Joe Dowden's clear, step-by-step instructions and the removable full-size drawings supplied. Simply transfer the drawing of your choice to watercolour paper and you are ready to start. Every colour mix and technique is fully explained, and there are numerous tips to help you produce a finished work of art worthy of framing and hanging on the wall. With the author's help, you will learn how to capture mood, paint realistic skies, water and architecture, and reproduce stunning light effects, all of which are essential for capturing the essence and beauty of Venice. There are five in-depth projects, with drawings supplied for each one, as well as a sixth bonus drawing. In addition, there is a useful section on the materials and equipment you need, and instructions on how to transfer the drawing.

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Dana Hintz**

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
