Inove Graphics, Inc., Kingsport, TN, 1995. Soft cover. Condition: New. Never sold, never read copy is still glossy with crisp, tight pages. Very minor shelf wear. Published at \$14.95. "This book leads the reader through a rich collection of the state's lore, told in the words of those who lived it. The beloved prairies and wooded solitudes that inspired early travelers, within the "Kingdom of Paradise," may still be experienced by today's visitors to Tennessee's forests and rivers; from the highlands of the east and the spine of the Smoky Mountains to the shores of the Mississippi. The early history of the sixteenth state, contained within this volume, gives a perspective of the growing pressures and threats to the natural world. The landscape photographs offer hope that this heritage may be preserved. They beckon to the enfolding serenity of deep forest, cascading streams, and uplifting vistas that recall the spiritual quests of ancestors who viewed Tennessee as a sacred Eden, to be treated with reverence and awe." 120 pp.
