Brand New Book ***** Print on Demand *****.A Church Learns to Get Along is the story of a local church congregation that discovered practical, biblical principles that transformed their individual lives, their marriages and families-and their church. Corporately and individually they found God at work in the areas of speaking the truth in love, transparency, sharing one another's burdens, and more. The result brought them into a new freedom and openness with one another. To the surprise of this pastoral couple, they found their counseling load decrease, and even more amazing, gossip was virtually eliminated from their flock. Christ's prayer in John 17 emphasizes the unity He expects and desires in His Church. Nevertheless, the whole area of loving honest relationships proves to be a difficult calling. Partners in life and in ministry, authors Pete and Bev Caruso demonstrate the Christ-life in their relationships with their three children, many grand- and great-grandchildren, and with those they have pastored and disciplined into fruitfulness. In A Church Learns to Get Along, the Carusos bring Christ's teaching to life through firsthand accounts of Biblical principles being applied in everyday situations. Through true stories you will see how Christ can work in your life through acceptance, forgiveness, affirming, as well as by learning to lovingly confront one another. Pete and Bev pioneered and pastored two churches, established a Christian school, and helped start four other churches. They have ministered in over 40 countries, speaking in churches of many denominations, universities, prisons, Youth With A Mission, Christ for the Nations, FGBMFI, Aglow, Teen Challenge, and more.
