Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Your Rental Property Investing Blueprint Do you want to invest in rental properties? Are you scared you won't make money or possibly even lose money? Would you like a realistic strategy that has actually worked for real people? What if you could actually build a rental property portfolio that generated passive income to live a better life? Would you be interested? It is possible to build your own cash flowing portfolio of rental properties, but it won't happen overnight. The simple truth is you will need to work at it, but the best part is this can be done while holding a regular job. Follow the path laid out before you by people that have actually done it. This is not just another book by a real estate investor telling you how much money can be made in rental properties. Author Mitchell Jaworski has built up a rental property portfolio using a risk averse approach in order to alleviate those scaredy cat feelings we all have when investing. By reading this book you will receive the step-by-step plan he uses to invest in cash flowing rental properties - from start to finish. Here's what you will learn: How to Buy Right and what it means to do so. The different types of residential property and what it means to buy within an HOA community. The finer points of a sales contract and why the inspection contingency is so important. What you should expect at closing, along with items on the closing disclosure to pay mind too. Tenant proofing your property while getting it rent ready. The key points of tenant screening and rent collection. Whether you simply want to...
