

Our Caregivers Stories from Our Nursing Homes

By Zsazsa Samu

Outskirts Press. Paperback. Book Condition: New. Paperback. 144 pages. Dimensions: 8.3in. x 5.3in. x 0.5in. Astonishing answers to unspoken questions revealed! Elderly care is a very secret business nowadays. How well - and how poorly - we treat our elderly, our mothers and fathers and relatives, is not something that is often talked about. We'd like to think that our relatives are well-taken care of in the retirement homes we ship them off to, but sometimes that's not the case. Few Americans are aware of the abuse that is rampant in some retirement and convalescent homes. The abusers are their so-called caregivers, who pledge their lives to give their patients comfort in the last few years or months of their lives. America needs to be exposed to these well-kept secrets. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

This book is definitely worth acquiring. I have gone through and so I am certain that I will likely read through again in the future. It's been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which actually altered me, change the way in my opinion.
