Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Our Sunday Visitor. Paperback. Condition: New. 256 pages. Dimensions: 8.9in. x 6.0in. x 0.8in. To build for the future, we must learn from the past. With an engaging and personal style, Fr. Bob Hater considers both the future and the past in this one-of-a-kind bridge building book about catechesis in America. Discover Fr. Hater's entirely new concept for catechesis -- a Common Sense approach. It takes into account the historical framework over the course of the 20th century and overlays key concepts to give catechetical leaders and catechists, usually volunteers, what they need to succeed today. Common Sense Catechesis requires two main things of the catechist: 1. Knowing the basic teachings to be taught, and 2. Devising ways to present them clearly and effectively. At the same time, Fr. Hater acknowledges the elements of each catechetical approach along the way. . . . The memorization approach of the early 20th century, and the use of the Baltimore Catechism. The chaotic approach of the late 60s and 70s, and the effects of Vatican II. The experiential approach of the 80s and 90s, including the Rite of Christian Initiation of Adults. The systematic approach from the 90s to today, and the influence of the Catechism of the Catholic Church. Let Fr. Hater's common sense approach bring energy and life to your catechetical ministry, ensuring that Christ is at the center of it all. Now that makes sense! This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
