

## L Osmose (Paperback)

By Albert Dastre

Createspace Independent Publishing Platform, 2017.  
 Paperback. Condition: New. Language: French . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Si, sans negliger les progres de detail et les decouvertes isolees, on veut, - comme il convient ici, - s attacher surtout aux faits generaux et significatifs, et suivre le mouvement de la science dans le mouvement de ses doctrines, on ne peut choisir un meilleur sujet d etude que celui de l Osmose. Il interesse egalement la Biologie et la Physique generale; il touche aux fondements memes de l un et de l autre ordre de sciences et y joue un role capital; les developpements qu il a pris des deux cotes sont a la fois considerables et tout recents. Les phenomenes d osmose presentent chez les etres vivants une importance qu il est utile avant toute autre chose de mettre en relief; ils ont d autre part, au point de vue physique, une signification qui doit etre bien comprise. Ces deux points etablis, a grands traits, il sera permis de penetrer plus avant dans le detail des connaissances acquises, dans ce domaine de la science, par les physiologistes et les physiciens contemporains.
