A Nation in Pain: Healing Our Biggest Health Problem

By Judy Foreman

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Out of 238 million American adults, 100 million live in chronic pain. And yet the press has paid more attention to the abuses of pain medications than the astoundingly widespread conditions they are intended to treat. Ethically the failure to manage pain better is tantamount to torture. When chronic pain is inadequately treated, it undermines the body and mind. Indeed the risk of suicide for people in chronic pain is twice that of other people. Far more than just a symptom, writes author Judy Foreman, chronic pain can be a disease in its own right the biggest health problem facing America today. Published in partnership with the International Association for the Study of Pain, A Nation in Pain offers a sweeping, deeply researched account of the chronic pain crisis, from neurobiology to public policy, and presents practical solutions that are within our grasp today. Drawing on both her personal experience with chronic pain and her background as an award-winning health journalist, she guides us through recent scientific discoveries, including genetic susceptibility to pain; gender disparities in pain conditions and treatments, perhaps linked to estrogen; the problem...
