## HABITS AND CHARACTERS OF VARIOUS WILD ANIMALS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Habits and Characters of Various Wild Animals It is, of course, impossible to write from personal observation and study all the data that are necessary for the completion of a book of this kind. One may be tolerably familiar with the life-habits and customs of a certain beast, may indeed regard it as an intimate friend; but life is too short for one to learn from practical observation all the details concerning it that are necessary its changes of coat, length of life, and so on. If one could devote all one's studies to one particular species, it might be possible; but in dealing with several there comes a point when inaccuracy must be risked or extensive references made. Realising this, my method has been first to write all I know concerning the animal dealt with, and, this done, to apply to outside authority for such supplementary evidence as might prove necessary. If my original notes have appeared sufficient, they have been left untouched; and in every case my own data, when sufficiently wide, have been given, whether or not they happen to coincide with the notes of other, and probably far better qualified, naturalists. On other occasions, personal data on a certain point have either been entirely lacking or insufficiently substantial, in which case the best authorities have been sought and quoted. A final reading of the finished chapters has brought home very forcibly the realisation that at least half the information contained in this volume is the result of the studies of my boyhood. It dates back from my ninth year, and a very large number of the incidents quoted occurred during the succeeding seven years....
